1. SCANLON and SIMONS called at Chinese Embassy 3:00 P.M.  
August 18. Simons was introduced as Scanlon's successor  
who will be regular contact and who will be present at  
next Ambassadorial level talks if they are held in Warsaw.  
Scanlon said that he heard that new Chinese Charge had  
arrived. Le confirmed this and said that CHEN had returned  
to China. Asked whether this meant that Ambassador WANG  
would be delayed in returning, Le said simply "we do not  
yet know." Balance of fifteen minute call taken up mainly  
with small talk except at one point when Scanlon regretted  
not having had opportunity to actually attend session of  
talks. Le retorted immediately "that is not our fault."  
Atmosphere was cordial, but Le volunteered absolutely  
nothing.

2. Two small displays of pictures on exhibit in Embassy lobby, which Le gladly explained when Sennels inquired what they were. One consisted of pictures of Mekri River area and captured weapons and equipment, second was display on Party Congress.

3. COMMENT: Although nothing Le said confirms this, spirit in which he received news that Simons would attend Talks if held in Warsaw indicates that Le at least has no reason to think that break in Talks is final or that next session will be held somewhere other than Warsaw.
